

McGraw Hill

(Assessment and Learning in Knowledge Spaces)

ALEKS is a research-based, online learning program that offers course products for **Math, Chemistry, Statistics,** and **more**. Rooted in 20 years of research and analytics, ALEKS is a proven, online learning platform that helps educators and parents understand each student's knowledge and learning progress in depth, and provides the individual support required for every student to achieve mastery. It also provides instructors with the flexibility to create courses that meet the needs of their students and to support their curriculum.

Content

Alternative Text Files: We provide electronic files of the main text content for use by students with disabilities. In order to send a file, we require a written request from the disability services center of your school. Requests can be submitted via Access Text Network at www.accesstext.org or submitted directly to McGraw-Hill Education. To submit to McGraw-Hill, please email us at mhe-permissions@mheducation.com or fax the request to 646-766-2019.

McGraw-Hill Education is actively working on developing more accessible assessment experiences. While some of our interactive assessment questions are not yet accessible to users of assistive technology, we continue to make improvements with each platform release.

| Content Feature | Status & Alternatives |
|--|--|
| eBook is operable without a mouse (keyboard navigable) and can be accessed using alternative output devices. | The ReadAnywhere App has undergone multiple audits covering the major features resulting in both ReadAnywhere iOS and Android apps having a VPAT. Audits are planned to ensure continual improvement and compliance with WCAG standards. |
| eBook images have alternative descriptions/alternative text | Alt descriptions are embedded within the eBook. Students using some forms of assistive technology may find it difficult to navigate to some of the content, due to the constraints of the technologies available. A file containing the alt descriptions can be supplied upon request. To request, please contact us at accessibility@mheducation.com |
| Videos | |

| | |
|--|---|
| | Videos offer closed captioning, video descriptions and transcripts. To request transcripts, please contact us at the information listed above. |
| Assessments can be accessed using alternative output devices (screen reader) | This title includes ALEKS Chemistry drawing tool and ALEKS Graphing Tool. These tools are currently not accessible to those using most assistive technologies. |
| Virtual Labs | Our virtual labs have been created with accessibility in mind. Effective use of color, keyboard navigation and some screen reader capabilities are present. A VPAT is available upon request. |
| PowerPoints can be accessed using alternative output devices (screen reader) | PPT's have been prepared to be compliant with WCAG Level AA guidelines. |
| Additional Resources | N/A |
| ABA Assessment | |
