Our commitment

Creating accessible products is a priority for McGraw-Hill Education. We have put in place processes to make accessibility and meeting the WCAG 2.0 AA guidelines part of our day-to-day development efforts and product roadmaps. We measure and track our progress to ensure we continually make improvements to address the evolving industry standards and to meet our learners' accessibility needs.

- Creation of Accessible Products – McGraw-Hill Higher Education is making efforts to have all new content and software follow the WCAG version 2.0 AA guidelines and best practices. To achieve and continuously improve the accessibility of our products, we will utilize the efforts of our internal product teams, the assistance of external experts, and user feedback.
